📷 OPPO Find X9 Pro Hasselblad Professional Telephoto Lens Kit – Enhanced Zoom for Pro-Level Shots

---

✅ Compatible Products

- **OPPO Find X9 Pro** – Exclusively designed for the OPPO Find X9 Pro to deliver professional-grade telephoto photography with Hasselblad tuning.

📦 Package Contents (Phone not included)

- 1 × Protection Case (Professional Magnetic Adsorption)
- 1 × Hasselblad Teleconverter
- 2 × Lens Cap (front/rear)
- 1 × Lens Adapter Ring
- 1 × Lens Bracket

🔍 Product Overview

The OPPO Find X9 Pro Hasselblad Professional Telephoto Lens Kit is a premium accessory bundle crafted to elevate your smartphone photography to professional standards. Developed in collaboration with Hasselblad, this kit includes a precision-engineered teleconverter, a magnetic protective case, and essential mounting accessories—transforming your OPPO Find X9 Pro into a versatile telephoto shooter for portraits, wildlife, sports, and distant landscapes.

With seamless integration via magnetic adsorption and Hasselblad's iconic color science, this kit ensures sharp, detailed zoom shots while safeguarding your device.

✨ Key Features

- Hasselblad Professional Teleconverter: Delivers enhanced zoom clarity with Hasselblad-tuned optics, preserving detail even at extended focal lengths.
- Magnetic Protective Case: Features aramid fiber-reinforced construction with magnetic adsorption for secure, tool-free attachment of the teleconverter—protecting your phone while enabling quick setup.
- Precision Engineering: Aluminum alloy body + glass lens elements + PC components ensure durability, lightweight portability (180g±5g), and scratch-resistant performance.
- Seamless Camera Integration: Switch to "Hasselblad Telephoto" mode directly in the camera app (requires latest OTA system update) for optimized settings and automatic adaptation.
- Complete Accessory Set: Includes lens caps, adapter ring, and bracket for hassle-free installation and lens protection.

⚙️ Technical Specifications

Hasselblad Professional Teleconverter

- Product Name: OPPO Hasselblad Professional Teleconverter
- Color: Black
- Dimensions: 114mm ± 0.5mm
- Weight: 180g ± 5g (including single lens and front/rear covers)
- Material: Aluminum Alloy Body + Glass Lens + PC

OPPO Find X9 Pro Professional Magnetic Adsorption Protective Case

- Product Name: OPPO Find X9 Pro Professional Magnetic Adsorption Protective Case
- Color: Meridian Black
- Net Weight: ≈23g
- Material: Aramid Fiber + PC + Magnet

Usage Tips

- System Update: Before first use, upgrade your OPPO Find X9 Pro to the latest system version via OTA to unlock the “Hasselblad Telephoto” mode in the camera app.
- Quick Attachment: Align the teleconverter with the magnetic case’s Hasselblad logo for instant, secure mounting—no tools required.
- Lens Protection: Always attach the front/rear lens caps when not in use to prevent scratches or dust accumulation on the glass elements.

Important Notes

- Image Reference: Product images are for illustration only; actual product may vary slightly in appearance or specifications (e.g., due to supplier changes).
- Data Variability: Technical parameters are based on lab/supplier tests; actual performance may differ due to test environments, software versions, or usage conditions.
- Mode Availability: Only supported OPPO models (Find X9 Pro) can access the “Hasselblad Telephoto” mode—check official OPPO notices for updates.
- Shooting Effects: Sample photo styles are for reference; results may vary with shooting techniques, lighting, or environmental factors.
- UI Differences: Interface demonstrations (backgrounds, layouts) are illustrative; actual app UI may differ by software version or production batch.

Buona e continua comunicazione con il venditore; la merce inserita come "a disposizione" in inserzione non era in realtà presente a magazzino; sostituita di comune accordo con o stesso articolo, di altro colore più comune. Spedizione tracciabile ma che ha impiegato tempi più lunghi del previsto prima di partire, consegna rapida una volta che il pacco è effettivamente stato consegnato al corriere. Articolo conforme ma assente di un elemento, che è stato prontamente rimborsato dal venditore.

I have received the lens in an unopened, well packaged box in a beautiful, new condition. It's a really good quality glass, that I can only recommend. It's definitely worth its price. I would also like to recommend the seller, who was very attentive and helpful when needed. He/she always responded promptly and did everything to solve a little mishap with the courier company. Thank you for that, much appreciated.

g***d (110) • 6 derniers mois — Achat vérifié

Artikel entspricht der Beschreibung und der Erwartung. Leider war die Kommunikation sehr spärlich und die Lieferung sehr langsam. Auch mit Berücksichtigung der Weihnachtszeit und Jahreswechel blieb die Ware lange beim Spediteur liegen. Eine andere, vergleichbare Lieferung aus Mailand vom 23.12.2025 wurde bereits am 03.01.2026 ausgeliefert.

Utente professionale, rapido, serio e comunicativo. Ottimo imballaggio. Spedizione rapida e tracciata. Molto disponibile a risolvere un piccolo ritardo iniziale nell' approvvigionamento, che peraltro é stato segnalato immediatamente ed in modo più che onesto. Oggetto originale, nuovo e ricevuto in perfetto stato.
